Principal's Message

To the Class of 1986:

Although it is an annual custom for the Principal to write a message to the members of the Senior Class, this one is rather a special one for me. Due to the fact that I taught a class last year, it was my privilege to know a great many of you far better than it is usually possible. This was true not only of the students whom I taught, but also their friends and associates, students whom I came to know through the members of my class. I, therefore, take special pleasure in wishing all of you great success in your higher education and, in time, in your careers.

You should all be aware that your class has established an enviable reputation for yourselves in the school. If the senior activities which have taken place up to the time I write this are any indication, I am sure your spring senior activities and graduation week will be truly outstanding.

I thank all of you for your cooperation and hard work during your four years at Westwood High School and join with you in celebrating the accomplishments and honors which have resulted.

Phillip F. Flaherty
Principal

Vice-Principal's Message

As you progress through another phase of life, you carry our warmest wishes for success and happiness in the years ahead. Throughout your tenure at Westwood High you achieved an enviable record not only in the classroom, but in athletics, music, theater and student organizations. We were not only proud of your successes but also your initiative in accepting challenges and promoting the reputation of your school and community. You always displayed a strong sense of maturity, school spirit and community pride.

You have prepared well — you reflect the love of your families and rewards of a dedicated faculty. Your enthusiasm was our motivation as you followed in the footsteps of our former graduates.

Preserve the fond memories and valuable friendships of your school years — they are prized possessions. Keep in touch and remain active in the alumni.

Vice-Principal

President's Message

At first glance, the Class of 1986 might be thought of as a group of survivors, but those who know the class well would depict us as a band of conquerors. The Class of '86 left its mark not only on the school, but also on the community and on the entire state.

Set back by the publicity of a supposed drug problem in the school, we, with the much appreciated help of the faculty, led a surge of positive action which re-instilled confidence in the school and left Westwood High School as a good example for many other conscientious Massachusetts schools. On the fields of the Tri-Valley League, the Class of '86 carried on the Wolverine tradition of league domination in football, girls' basketball, hockey, and many other sports. In the classroom, twenty National Merit Commended Students and Semi-finalists brought Westwood into scholastic prominence.

Most importantly, we, as members, conquered our individual differences which accompanied our respective arrivals as apprehensive freshmen to establish the strong unity and pride of the Class of '86. Hopefully, as we scatter across the country for college careers, the distances will not be able to sever the bonds we have created with each other and with the faculty.

Best of luck to all of you in reaching your deserved success and happiness. Thanks to Westwood High School for enabling us to accomplish our goals.

J. Michael Quinn
President '86

Valedictorian's Message

The Class of 1986 will long be remembered. We have distinguished ourselves in areas ranging from academics to athletics to the fine arts. More importantly, we have remained united and have overcome challenges together. We have striven to develop our talents and abilities to the fullest and have never been satisfied with giving less than one-hundred percent - be it on the playing fields or in the classroom. Most of all, the Class of 1986 has exemplified the ideals of diligence, honesty, and kindness toward others.

I'm proud to have been part of a class which never lost sight of its goals, but also never lost its sense of integrity in reaching for those goals. The future will bring many new challenges for all of us. Yet, I am confident that the members of this class will meet those challenges with the same spirit of enthusiasm that they have exhibited during their four years at Westwood High School.

May the grace of God be with us all as we go forth to make the world a little better place in which to live.

Andrew Ward
Valedictorian '86

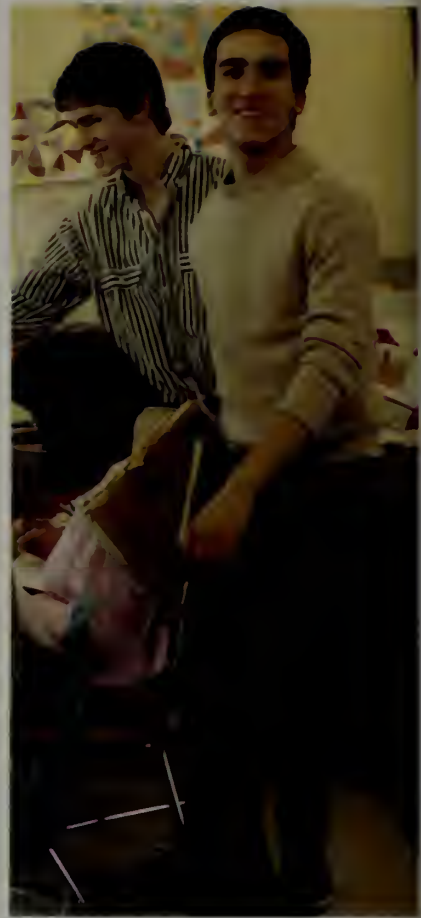

The art of teaching involves more than just patience, knowledge, and time. It is a communication link between a student and teacher, a mutual respect based on the pursuit of knowledge, the sharing of ideas, and the eventual attainment of our innermost goals. Throughout our four years at Westwood High School, every one of us has been touched in some way by the unyielding devotion and commitment to learning the faculty has demonstrated. By sharing a part of themselves, the faculty here at Westwood High has enhanced our growth, not only as scholars, but also as individuals.

The Class of 1986 has chosen to dedicate their yearbook to a teacher whose profound devotion and concern for the students best exemplifies this vital link between student and teacher. Always giving more of yourself than necessary, you added warmth to the classroom by making us unafraid to approach a challenge, eager to attack a problem. You were always there to lend support and reassure us of our strengths and abilities. Both in and out of the classroom, you provided us with guidance and with a new perspective—you became, for us, a trusted and loyal friend.

Therefore, with our deepest gratitude, we the Class of 1986 dedicate our *Green Years* to you, Mr. Calvin Topalian.

Dr. Terrence Earls
Department Chairperson

The English Department, as always, offered an array of interesting courses. Dr. Terrence Earls did a great job as first-time Department Chairperson, the position vacated last year by the unforgettable Miss Burns. Who could ever forget Miss Shute's diaphragmic breathing exercises, Mr. Hancox's "pick a number between one and eighteen," or Mr. Milan's dramatic lectures (never a boring moment!). From vocabulary lists to Chaucer's *Canterbury Tales*, this wonderful staff guided us through Comp & Grammar, War Lit., Creative Writing, A.P. English, and many other challenging courses. Many thanks for a job well done!

Mr. James Pender
Area Coordinator

Under the ubiquitous eye of Mr. James Pender, the Math Department provided us with a wide range of courses—from Algebra I to A.P. Calculus AB. Thanks to the excellent instruction of this staff, we will always remember congruent triangles, binomial theorem, and those wonderful(?) logarithms. It was nice to know that the math seminar was always open when we needed a little (or a *lot!*) of extra help. This department deserves praise for their commendable work in preparing us for the future.

COMPUTER MATH

Miss Patricia Sullivan

This year, under the superb teaching of Miss Tolini and Miss Patricia Sullivan, the variety of computer courses offered an exciting insight into the new and growing world of computer science. With new accelerated courses like A.P. Pascal, students were able to apply their knowledge of BASIC to a more advanced computer language. Added to the graduation requirements this year, computer science has been taken by all—words like "GOTO" and "WRITELN" have become popular at the high school, as crowds gather at the computer room doors, waiting to finish their complicated lab assignments. Thanks for showing us a little "BYTE" of the computer sciences!

Miss Dorothy Tolini

SCIENTIFIC METHODS.....

Dr. John Griffin
Area Coordinator

The Science Department, under the direction of Dr. John Griffin, continues to offer a wide variety of courses ranging from introduction to Physical Science to A.P. Biology. There is a large selection of courses in the fields of biology, chemistry, and physics, which vary in difficulty to suit each student's needs.

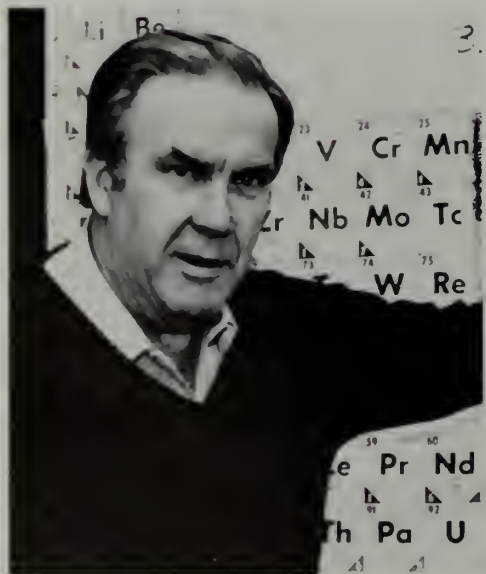

Throughout the years, students have collected fond memories of Mr. Sarris's "You bananas!", flying pigs in the cafeteria, "The Topalian Toy Shop," and the famous "Marx Slide Shows." We had a "whale of a time" with Miss Saltmarsh and Mrs. Flyer and we journeyed into Mr. Thwing's "underwater world." Mr. Donald Beurman

The Social Studies Department, under the guidance of Mr. William Davis, proved to be an "enlightening" experience that provided students with a better understanding of man, his governments, and his interaction with society. From World Cultures to Modern History to Chinese Civ., students were exposed to a variety of interesting courses that did in fact give us a better understanding of ourselves as well as those around us. The senior class would like to express its deep appreciation to all these "historians" whose careful teachings made history a rewarding learning endeavor.

CULTURE SHOCK?

Mr. Robert Burke

Mr. Manol Dhimitri

Mrs. Barbara Gray

Mrs. Elaine Doucette

Hola!... Bonjour!...Gutentag!... These were some of the greetings which welcomed us into the various classes of the Foreign Language Department. Under the guidance of Mrs. Elaine Doucette, this department offered courses such as German and Latin as well as the traditional French and Spanish. Thanks to this hard-working staff, we learned about foreign cultures and reached fluency in three modern languages. Nobody will ever forget Senora Perry's "filas", Senor Dhimitri's plays, or Madame Doucette's oral drills. Some of us also got to experience foreign cultures first-hand as we toured countries such as Spain, France, and Germany. Thanks to all for a true cultural experience at WHS!

BUSINESS, BUSINESS, BUSINESS. . .

Mr. Lawrence Rettman
Area Coordinator

Under the direction of Mr. Lawrence Rettman, the Business Department taught many skills needed in today's busy world. Typing, accounting, shorthand, and data processing were among the many courses offered. These skills will definitely be useful in college and future careers. Our thanks to those teachers who led us through the monotonous "A...S...D...F..." and made these courses worthwhile.

Mrs. Natalie Carey

Mrs. Irene Dhosi

Mr. Albert Nolan

INDUSTRIAL ARTS

Led by Mr. Rettman, the Industrial Arts Department taught practical courses such as graphic arts, electricity, and woodworking. Students learned many industrial skills which will come in handy in later years. Many thanks for the hard work and devotion of this staff.

ARTISIC TALENT

Mr. Thomas DelSignore
Director

Under the direction of Mr. Thomas DelSignore (affectionately known as Mr. D!), the Art Department of WHS did an outstanding job in bringing out our creativity. Ceramics, Portfolio, and A.P. Art History were only three of the numerous courses available. Through their expert instruction, we were able to develop our artistic talents in many mediums. Special thanks go to Mr. D. for his time and input to our yearbook. We love ya, D!

Mrs. Judith DesPres

MUSIC DEPT

Mr. James Giurleo, Director

The Music Department, under the direction of Mr. James Giurleo, continues to offer courses in all aspects of music. This year, while the Concert Band and Orchestra are under the guidance of Mr. Giurleo, the Double Quartet, the Glee Club and the Chorale are led by Mrs. Maija Gray, and Music Theory classes are taught by Ms. Trisorio. A new addition to the WHS music program is the Brass Quintet. Many thanks for a successful year!

GUIDING LIGHT

Dr. William Pendell, *Director*

Under the direction of Dr. William Pendell, the Guidance Department worked their hardest to help us through our four years at WHS. Up until senior year, we had thought this department was good only for schedule changes! What would we have done without their help and concern in college and career choices? Mrs. Lorraine Brinton, school psychologist, and Mrs. Susan Bornstein, CET Chairperson, were always there when we needed a little extra attention. Thanks also to Mrs. Donna Watkins, METCO Coordinator. Our great appreciation goes to guidance for their wonderful advice and encouragement.

LEARNING CENTER

Mrs. Christine Mullen

Mrs. Elizabeth Rae

With the help of its patient and caring faculty, Mrs. Christine Mullen, Mrs. Elizabeth Rae, Mrs. Carol Rosengarten, and Mrs. Anna Runci, the Learning Center has become an important part of WHS. Offering help with learning skills for those requiring remedial assistance, they have helped students to stay on their feet while still following the school's regular program. We would like to thank the Center's faculty for their time, dedication, and patience.

Mrs. Carol Rosengarten

Mrs. Anna Runci

SPECIAL EDUCATION

Mrs. Jeanne Connolly

Mrs. Mary Messina

This year, the Special Education Department at the High School has provided exceptional students with the opportunity to master fundamental academic skills while functioning in a school setting. Ranging from mathematics, to sewing, to cooking, students were given the extra help and attention they needed. Through the years, this department has developed fine students of exceptional merit.

SELF - CONTAINED

With the guidance of Mrs. Ann Matteson, the Self-Contained Program at WHS provided the academic and personal needs not met by the school's curriculum. At both ends of the spectrum, WHS has provided highly accelerated courses as well as this solid and beneficial program to give students the opportunity to experience a more personal teacher-student relationship within the school.

Mrs. Ann Matteson

DOMESTIC DUTIES

Mrs. Joanne Arnold

Mrs. Susan Costanza

The Home Economics Department trained students in everyday, but essential, skills of cooking, sewing, and child growth and development. A highlight in the program was the nursery school, which gave students the opportunity to work with pre-school kids. Many thanks to Mrs. Joanne Arnold and Mrs. Susan Costanza for their time and patience.

LIBRARY/MEDIA CENTER

Mrs. Mary Bishop

Mrs. Virginia McCoubrey

Mr. Eugene Sweezy

The library has always been a quiet place to find an interesting book or finish up that English paper due next block. With the indispensable help of Mrs. McCoubrey, Mrs. Bishop, and Mr. Sweezy, we could easily find whatever we were looking for. Usually, we could also find friends to chat with and were soon booted out of the library with the infamous "Four to a table!"

PHYSICAL EDUCATION

Mr. Joseph Gearon
Athletic Director

Mr. Russell Downes

Miss Susan Peters

Miss Elizabeth Rice

The Physical Education Department, led by Mr. Joseph Gearon, offered a wide variety of electives. Among the favorite activities were the ever-popular swimming, Mr. Tuccelli's fitness program, and, of course, the twelve-minute run. Many of these teachers not only helped keep our bodies fit, but also our minds by instructing the Health classes for sophomores. Many thanks to this department for breaking the monotony of the school year.

Mr. Paul Tuccelli

Mrs. Elizabeth Clement

Special thanks to Nurse Elizabeth Clement and Don MacGillivray for their help and concern both on and off the playing field (and in the classroom!) Glad you were always there when we needed you!

THANK YOU

We, the Class of 1986, would like to extend our warmest thanks and appreciation to the Westwood High School faculty for their guidance, knowledge, and friendship. Class Poem

With Every Step...

Imagine a ladder
Climbing high into the sky...
Ourselves

On this rung - the scholar,
On the next - the athlete,
...the comic, the loud, the shy.

Proud and unique,
We face the climb
Together; not alone.

Step after step
We contemplate life,
the future, the unknown.

Step strongly
But move freely
Keep in tune with your past steps.

Look back upon your climb thus far,
The rungs and steps in shadow -
These days will guide us forward - into
our tomorrow.

The Student Council began 1985 with a new twist. Instead of having one president, Marty White and Andy D'Angelo were Co-Presidents. Their fellow officers were Mike Niles, Vice-President, Megan McLellan, Treasurer; and Chris Hart, Secretary

The Student Council began the year with a successful Homecoming Week and then the Homecoming/Halloween Dance. Many events followed—the Celtics Raffle and the Christmas and Valentine's Day Carnations. With the support of the school, the Council tried another Homecoming Week in the winter for the girls' basketball team. For a bit of fun, the school elected a king instead of a queen. Unfortunately, the official king was never crowned; however, the enthusiasm lasted long afterwards.

We would like to thank the faculty and the student body for all their support. To the seniors, we would like to wish a fond farewell and all our gratitude.

The Student Advisory Board, ably led by two-year president Dave Sugrue, opened up a strong line of communication between the student body and the administration. We put a dent in world hunger with our efforts to raise money for Rosie's Place. Evidence of our work between the student body and the administration resulted in a bench outside the boys' locker room. All in all, the S.A.B. was a strong, positive force in the school community.

Led by officers Erika Burk, Sue Coppa, Julie Cronin, and Liz Kelley, the Key Club participated in phoneathons for the American Heart Association as well as made stockings for hospital patients at Christmastime.

The Key Club would like to extend their sincere thanks to Mrs. Matteson for constant support.

National Merit

Westwood High School was honored this year to have two National Merit Semi-Finalists and a school record of *twenty* Commended Students. These students qualified for their awards by scoring extremely well on the PSAT exam, taken in their junior year.

Congratulations go to these outstanding students and thanks for making Westwood High School proud.

Thanks to the leadership of our advisor, Miss Dillon, and our capable officers, the National Honor Society had a successful and fulfilling year. NHS supported various school activities such as the NHS Alumni Tea and the Spaghetti Dinner. Also, we made weekly trips to Saint Francis House in Boston where we assisted Brother Francis in feeding the poor and homeless. Our work at Saint Francis House provided and excellent opportunity to apply our abilities and reach a new level of maturity.

We would like to express our gratitude towards Miss Dillon. Special thanks go to Mr. Case for filling in during Miss Dillon's absence.

Que paso? Spanish National Honor Society began its year with the candlelit induction ceremony welcoming many new members to the club. Our goal this year was to create a scholarship fund for one of our senior members.

On the day of the Senior Class Flea Market, we took advantage of the hot weather and sold ice cream cones. We gave a special discount if the cone was ordered in Spanish. Members took turns helping out at the Booster's booth at home football and basketball games. Thanks to the success of the teams, there were more games than we bargained for.

In January, Marcelo Dominguez arrived from Santiago, Chile and stayed in Westwood for three months. In March, the German students from Bonn stayed for four weeks. All in all, SHH had a very successful year with all its fund raisers and activities.

STUDENTS AGAINST DRUNK DRIVING

Mrs. Linda Hanlon

Spurred by the supposed drug scandal at Westwood High this year, the SADD program, Students Against Drunk Driving, was more active than ever. With the guidance of Mrs. Hanlon, members of SADD became much more aware of the problems involved with drinking, drugs, and driving.

SADD arranged for knowledgeable as well as experienced speakers to come and talk to students and their parents. "No Thanks" became our motto.

The members of SADD wish to thank Mrs. Hanlon and the administration for all their support and concern for our welfare.

Under the valuable guidance of Mr. Michael Milan, the staff of *No Parentheses*, comprised of students from each of the four classes, met frequently to review and carefully edit student literary material. Thanks to the great organizing efforts of editors-in-chief Ann Lin, Andy Inatko, and John Antinou, the staff managed to publish WHS's annual school literary magazine, which displayed the literary and artistic talents of many students. The second annual Poetry Contest was a great success and filled the pages of *No Parentheses* with many interesting works. Special thanks go to Tom Gearty for making all those monotonous meetings a little lively. All in all, it was another successful year for *No Parentheses*.

*Sunday dreamers and rebels,
Flights of butterflies and blazing
fires
Share a vision molded by the past.
Lunatics and seers,
Raging prophets, cocooned in
wisdom
Utter sounds unknown to human
mouths—
All condemned by those afraid of
earnesty,
Shunned in fear of isolation.
Yet poets and philosophers
reside within us all,
composing fluttering dreams of the
mind.
Do not shy from the intimate lyrics;
Let the heart's desires be free.
Release the muses of the soul and
Escape from our parentheses.*

Cheerleading

Precious Thoughts

*We started the summer—
Vacation seemed too short.
We went through so much trouble,
And we're not even called a sport!*

*In July, we went to camps—
Early preparation for fall.
We wanted to support the champs,
With highest hopes for all.*

*Homecoming was a blast!
The pyramid made us frown.
We saved the best for last,
But what goes up, comes down.*

*We stood through snow and sun.
We stood in hail and sleet.
We always managed to have fun
While jumping around in wet feet.*

*B-ball season came around.
We strove to be the best.
In hopes of being victory bound,
We put our talents to the test.*

*Twelve smiling faces in a row,
We climbed and climbed so high.
With our little mascot in tow,
It looked like we'd reach the sky.*

*The posters are down, the pom
poms are still,
The season is over, we draw a small
tear.
We will always have a strong,
fighting will.
It never fails—there's always next
year!*

The newly established Westwood High School Chorale numbered sixty-five strong in its first year. Under the direction of Mrs. Maija Gray, the dedicated Chorale met every Wednesday night for two-hour rehearsals.

The Christmas and Spring concerts were great successes as the Chorale sang to overwhelming applause and a few standing ovations. All those hours of rehearsals really did pay off!

The Chorale would like to thank Mrs. Gray for her dedication and hard work. Special thanks go to Jennifer Keller and Jeff Domina for their endless patience and talent as Chorale accompanists. Good job, you guys!

"Sopranos sound good tonight...now, shut up!"... "Whose voice cracked?"... "Did Julie get the food?"... "I can't hear you, Altos!"... "C'mon, Chris!!" ... "Haaaalelujah!"

Double Quartet

The 1985-86 Double Quartet continued the WHS tradition of bringing superb music to nursing homes, women's clubs, and to many other audiences. Mrs. Gray's first Double Quartet, which sang to several well-deserved standing ovations, consisted of sopranos Sharon Carrabis and Maureen Hogan, altos Reiko Maki and Amy Sullivan, tenors Sean Finneran and Greg Gonser, and basses John Holderreid and Chris Page.

Along with their accompanists Jennifer Keller and Jeff Domina, the members of D.Q. worked hard and brought their talents together to produce an outstanding singing group. Thanks for the music!

The WHS Glee Club consisted of fourteen talented and enthusiastic female voices which performed at many concerts this year as well as making an appearance at the State House. Under the direction of Mrs. Gray, the girls brought out their best singing voices and impressed audiences everywhere. This year, the Glee Club proved that bigger is not always better!

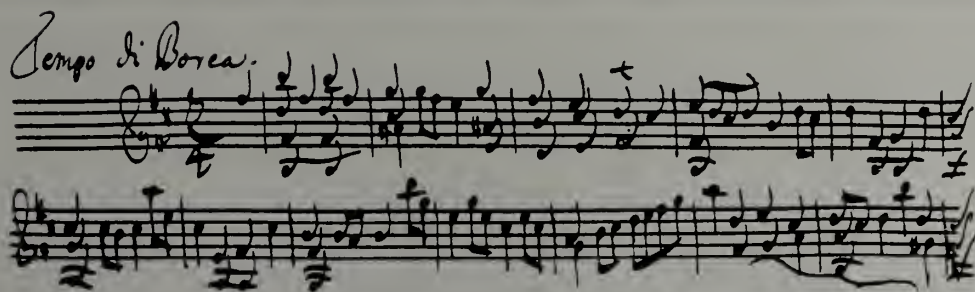

Concert Band

The Concert Band had another excellent year, performing in several concerts throughout the winter and spring seasons. Under the skilled baton of Mr. James Giurleo, the band delighted audiences everywhere with its thrilling performances of classical, jazz, and popular works.

Many thanks to Mr. Giurleo for a successful year.

The 1985-86 Westwood High School Orchestra successfully opened with its annual Christmas Concert under the direction of Mr. James Giurleo. It was a very promising year. New arrivals from the Junior High added to the continuity of the orchestra. We all gave our very best to make it an interesting and exciting year. Through the patience and understanding of our conductor, we excelled in our performance. The tradition of the Westwood High Orchestra will be passed on to the underclassmen by the outgoing seniors.

Marching Band

The 1985-86 Marching Band had a very successful year. Winning first place at the Massachusetts State Finals was a highpoint of the season. Sharon Carrabis, as Drum Major, proudly led the Marching Band into the New England finals, placing a respectable third and winning the honor of Best Drum Major.

President, Chris Page; Vice-Pres., Jon Murray; Treas., Ken Madden; Secretary, Kristyn Martin. The Color Guard Co-Captains were Barbara Priore and Jen Hunter.

Thanks to Mr. Giurleo, the band director, as well as to the drill and color guard instructor. The year was fun for all and ended on a good note.(Ha, ha!)

Under the dedicated guidance and organization of Coach James J. Pender, the Westwood High School Math Team once again battled to defend its coveted SMML championship title this season. Inspired by seniors Andrew Ward and Ann Lin, along with juniors Steve Buonopane and Aaron Proman, the members of the school's most elite organization intimidated many of the opposing teams of two different leagues into mental submission. The team even survived the mobs of cheering fans and groupies to give arch-rival Sharon a run for the crown. The departing seniors, Andrew, Ann, Colleen, John, and Andy, wish the remaining members the best of luck and future victories in the next year. We all give special thanks to Mr. Pender for his driving devotion, and, of course, are forever indebted to our faithful alternate, Keenan G. Brock.

Debating Team

The Debating Club, with President Debbie Najjar, Vice-President Carolyn Jurkiewicz, and Secretary Cathy Breen, once again came into existence at WHS. Mr. Hart, who served as advisor in past years, provided valuable advice and encouragement. Not only did the club organize debates between fellow students, but it also participated in debates between local schools. With enough student participation and recognition, this new-born Debating Club will be able to continue in future years.

Boys & Girls' State

Student representatives spent a week at local colleges—girls at Bridgewater State, boys at Bentley—as they studied the basics of state and town government. Participants were organized into towns, countries, and political parties. Mock elections were conducted to set up complete executive and legislative working bodies. Through this process, participants gained a greater understanding of the mechanics of government. These students also gained fond memories as well as many new friends.

Every morning, we were treated to the "Good Morning, Westwood High Show" with Andy D'Angelo, Dave Sugrue, Andy Inatko, and John Holderreid. Thanks to these four lively voices, the student body was kept informed to the various school activities throughout the year. Many thanks for your sincere attempts to wake us up in home-room every morning—at least you tried!

Drama Club

Despite the many valiant efforts by Miss Shute and the seniors, the Drama Club, unfortunately, did not have a very productive year. However, for the seniors, there are many fond memories of past years in the Drama Club. *The Music Man*, *Annie Get Your Gun*, *Lorelei*, the One-Acts, and many others have added greatly to our high school careers. The seniors would like to wish Miss Shute and the rest of the club the best of luck for the future.

Chess Team

Despite the occasional lack of interest from its members and the fact that it was not an official part of the Massachusetts Chess League, the 1986 Westwood High Chess Team had its strongest group of players ever. Under the ever helpful, always confused leadership of Mr. Kevin Burke, the Westwood team of pawn pushers travelled across Massachusetts in search of new challenges as they looked forward to a free box of donuts. The team bids a fond farewell to its senior members and wishes them luck, happiness, and insanity wherever they go.

French N.H.S.

With the help of advisor Madame Coffin and sponsor Madame Doucette, a chapter of Societe Honoraire de Francais was finally established at Westwood High School. Ten members were inducted in a ceremony which will serve as a model for the years to come. "La Course du Flambeau," in which a lighted candle was passed from member to member, proceeded smoothly, and Mr. Flaherty led the members in the singing of "La Marseillaise." The motto, "Service et Honneur" was adopted by the members, who have also started a tutoring service at the High School. The senior members, Andrew Ward, Ann Lin, and Colleen Dalton, express special thanks to all involved and wish the club much luck for the future.

The 1986 Academic Decathlon team participated in the regional Academic Decathlon competition last November with a minor degree of success. Held at Cambridge Rindge & Latin High School, the meet was a mix of many subjects, some of which, such as economics, art, and music, were quite foreign to some of our teammates. The team of Mark Mansur, Greg Gonser, Matt Zieper, Ann Delaney, Erik Johnson, and Marty White did their best, but fell short of qualifying for the next round. The "Superquiz" on Immigration was our downfall; however, Erik Johnson did turn in an electrifying performance on this subject. The team would like to thank Mr. Flaherty and all the teachers who helped make this year's Academic Decathlon possible.

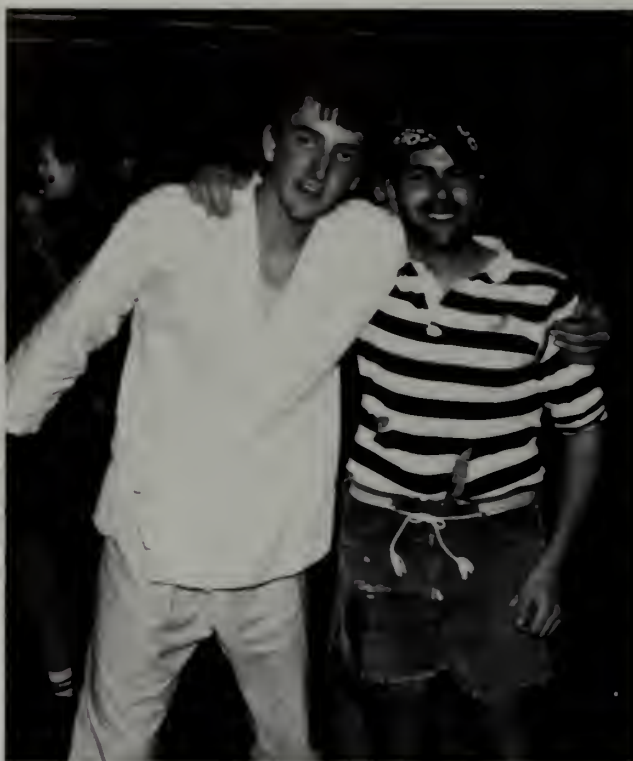

Homecoming Week

Activities Big Success!

The annual Homecoming Week was a great success with its Hat Day, Hawaii/Beach Day, Pajama Day, and Green Pride Day activities. At the Pep Rally, Una O'Brien was crowned as our lovely Homecoming Queen along with her stunning court.

On Friday, everybody enjoyed watching the senior girls' valiant attempt at powderpuff football. Despite the overwhelming support (both mentally and physically!) of their coaches, the girls lost a tough, but fun, game.

On Saturday, with the Queen and court cheering them on, the football team defeated Medfield in the traditional Homecoming Game.

The Week ended with a bang at Saturday night's Homecoming Dance. Featuring Greg Gonser's band *The Change*, the dance welcomed students in their most outrageous costumes. Needless to say, Homecoming Week provided a good time for all.

Cultural Exchange

Foreign Students at home in WHS

Despite the absence of an AFS chapter this year, exchange programs at Westwood were as active as ever.

In January, Marcelo Dominguez, from Chile, arrived for a three-month stay in Westwood. Hosted by senior Amy Crawford and her family, Marcelo, with the help of SHH members, easily adapted to American society.

In March, the Westwood/Bonn, Germany, exchange program continues in its third year. Eighteen excited German students arrived for a 3-week stay with their equally enthusiastic host families. Very little time was spent in school as advi-

sor Mr. Milan kept our visitors busy with field trips to various points of interest in the Boston area. On weekends, host students and their friends took it upon themselves to show the guests the American way to party.

As evident, this year's exchange program was extremely successful. To quote one German student, "This has been the best three weeks of my life."

N.H.S. Induction

The Torch Passes On...

On April 15, the senior members of NHS passed on the torch to thirty-one juniors in a candle-lighting induction ceremony.

Speeches for scholarship, leadership, character, and service were made by four juniors. Mr. Tom Brown was called upon to give the faculty address along with speeches by Mr. Glenn Harkness and the ever-amusing Mr. Phillip Flaherty.

Touching moments in the ceremony included the induction of Mr. Albert Nolan into NHS. Mr. Nolan, who has been an integral part of the WHS faculty for many years, retired this year.

The Double Quartet sang for Mr. John Markarian, who retired in 1984. Then, the highlight of the evening occurred. The Music Room was dedicated to Mr. Markarian for his 40 years of outstanding service to the WHS Music Department.

Good Morning America!

WHS on National TV

Excitement brewed as ABC's *Good Morning America* chose WHS as the site of a nationally televised prom fashion show. Twenty lucky students, hand-chosen to model the formal wear, became instant celebrities. Nothing like this event had ever happened before in the history of WHS!

The models and background people, also WHS students, were told to report to a lavishly decorated lower media center at 6 A.M., on March 14, 1986, to rehearse for a 4-minute segment on live television. Fitted earlier at Filene's, the ladies looked stunning in their gowns of silk, satin, lace, and...tin foil. The gentlemen didn't look too shabby either in their Milton's tuxes of black, red, white (with pink cummerbund, Ross!), brown and purple (!). A make-up artist and a hair-dresser were on the set to cake-on blush and to mousse-up curls. What a bunch of hams!

"Miami Vice!" ... "How's the punch?" ... "Act natural!" ... "Flake" ... *Pretty in Pink* ... "Live! From Westwood High ..."

At 7:30 A.M., with the whole school and town tuning in, Pat George, *Good Morning America*'s fashion consultant, appeared on TV in our media center. The hectic 1 1/2 hours of rehearsals actually paid off. Nervous, but showing plenty of style, the "dapper" models strutted their stuff. President Mike Quinn got a shocker when he was introduced with, "His name is...Steve!" Prom Queen Debi Goldfarb looked as if she belonged on *Dynasty*. And who could ever forget Joe Biggs' famous grin? The final thrill came with the stage manager's announcement, "You were just on national TV!" Poufs, hoops, purple tuxes, and all, WHS put on a great show, even if there were stacks of books in the background!

Green Years

Editors-in-Chief: Jim Aquilina, Andy D'Angelo, Sabina Chen, Melissa Fischler

With the unrelenting help of Mr. Brian Hart, the yearbook staff worked hard all year to produce the *1986 Green Years*. All those layouts, copies, photos, grease pencils, and disks added up to this book of memories. Through the creative efforts of Editors-in-Chief Jim Aquilina, Sabina Chen, Andy D'Angelo, and Melissa Fischler, the yearbook staff managed to capture and present the events of the 1985-86 school year in an interesting and artistic way.

Many thanks go to the layout and typing staffs who had to put up with Sabina and Jim's stress attacks and insinuations of perfection. "Deadline this week! Get outta my way!!" Luckily, these loyal staffs got a break under Andy, who was slightly more organized, slightly more laid-back, and slightly less perfect. (Just kidding!) Layout editor Colleen Dalton and biographies editor Erika Burk proved to be most valuable resources as they gave the yearbook unlimited amounts of brainstorming ideas and pure hard work. Business editors Brian Halligan and Kevin Lodge were just as essential to the production. They provided a very important ingredient—MONEY!

Although this production may not have been the smoothest running yearbook process, there were still many enjoyable times. The success of a yearbook is not measured in the ease of the production, but in the appeal of the final product. We hope you are pleased with the result of our work.

The year started at Camp Sugarbrook in VT with a hard, but eventful week of training camp and the team looking strong. The first game was an uphill battle against Division 4 powerhouse Foxboro who were SuperBowl finalists from the year before. Domination of Foxboro followed with a 17-0 beating. Millis was difficult test at our temporary home field at Xaverian, but we came from behind for a 7-6 victory. Westwood took a 19 game winning streak into the Thanksgiving Day clash at 8-1 Holliston. The streak was snapped and we failed to get a third consecutive Super Bowl trip. The captains—Joe Biggs, Matt Calvagne, Paul Palermo, Dave Sugrue—led the team to a very successful season and there is much hope for success next year. The team would like to thank Eric and the rest of the coaches, Mr. Gearon, the Boosters and our fans.

BOYS SOCCER TEAM

This year's Wolverine team had many highlights deserving mention. With 14 wins the team won more games than any other soccer club in Westwood's history, collecting a record of 14-5-1. Mark Mansur supplied the offense leading the team in points as well as setting the record for most goals in a single season at 14. Likewise, Kevin Fitzpatrick was the mainstay of the defense, keeping the twines almost untouched as goalie, leaving yet another record of career shutouts. The team was led by Tri-Captains Wally Coggins, Tom McCusker, and Marty White. The team wishes to thank Coach Rock for another successful year. Good luck to future teams, from the last of the great ones, the squad of '85-'86.

The girls soccer team had a great season this year. We started off on a winning streak the first five games. We came up against our arch-rivals Foxboro and lost 2-0. We came back at them a couple of weeks later and tied them 0-0. We made it into the tourney after defeating an upset Medway team. We made it to the quarter-finals and lost once again to Foxboro 5-0. Oh Well!

The 1986 Girls Volleyball Team had the best season in Westwood High's history. With a strong showing in the tournament, the girls finished off their season with an unfortunate loss in the Central finals to Milford. High points of the season included Daily Transcript All-Star standings awarded to tri-captains Amy McCusker, Una O'Brien, and Clare DeAngelis. Clare also was the Transcript's MVP and was also a Patriot Ledger All-Star. Other Transcript all-stars were Kelly West, Jen Murphy, and Kim Ilg. The tournament All-Stars were Clare, and Kim. At the banquet the honors went to; Amy McCusker as MVP, Jen Murphy as Unsung Hero, Kathleen Sweeneyf as Most Sportsmanlike, and the Coach's Award went to Janet Lynch.

FIELD HOCKEY

The Girls' Field Hockey Team completed another season under the guidance of Coach Procaccino with a disappointing 4-11-2 record. Despite the losses, the season was competitive and reached its peak against the Bellingham Hawks. The season featured Gamby, individual gripe sessions, BK headrolls, Maria's exercise, and Sue's boxers. Good luck next year, may you have a winning season!

GIRL'S CROSS-COUNTRY

This year the girls were small in number, but powerful. Everyone had P.R.'s which helped to contribute to a successful season. Pattie was better known for slipping on rocks and spraining her ankle while Sue was known for her impeccable sense of direction. Maureen had a friendly rivalry with Rich, to see who was faster, which will continue next year. Kerry occasionally liked to show up for practice and Beth occasionally tripped in some "unimportant" state meets. Ann Delaney got rid of her old sneakers; too bad she didn't lose her nickname as well. We'd all like to thank Mrs. Bowler for a good season and for the band fanfare she gave us. Good luck to Beth, Pattie, and Maureen next year.

From Left to Right: Coach Bowler, Patty Flaherty, Beth O'Rourke, Ann Delaney, Maureen Hogan, Sue Delaney.

BOY'S CROSS-COUNTRY

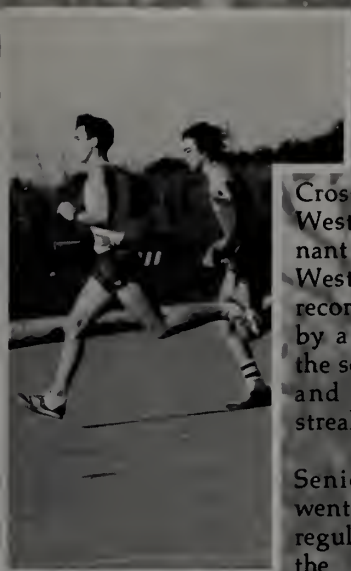

Cross country has been deemed by Westwood's team as the sole remnant of the Puritan work ethic. The Westwood boy's enjoyed a fine 7-1 record. The only loss to Holliston by a small margin. This loss cost the squad the league championship and a 22 consecutive winning streak.

Senior Co-captain Paul Dullea went undefeated throughout the regular season and currently holds the record for the Westwood's cross-country course. Westwood's other Co- captain, Brian Halligan, led the mighty Green Wave consisting of juniors Aaron Proman, Steve Buonopane, and freshman Kevin Carter.

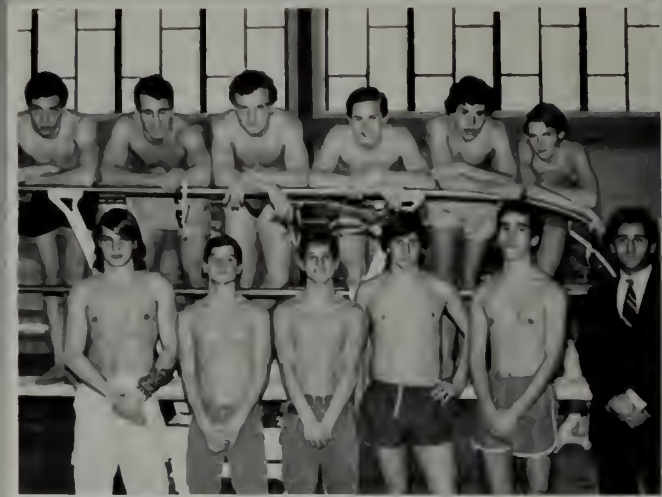

Westwood's team had a good mesh of veterans and youth this season and as Coach Hargreaves once said, "There are always new streaks to start."

Top L to R: K. Carter, M. Ward, C. Hart, M. Papetti, S. Bunopane, A. Proman, S. Maxwell, B. Hogan, A. Brazier, Coach Hargreaves. Bottom L to R: C. Dullea, S. Adams, J. Hart, A. Coffin, P. Dullea, b. Halligan, S. Setenchuk, D. Leary, R. Lassen, A. Riskala.

The swim team didn't have a great record this year, but we had some fun and did well individually. Three "clams" went to the South Sectionals and everyone improved meet by meet. The "Lane 6 All-Stars" were especially impressive while putting in the lane lines. Kevin Fitzpatrick broke two school records in the 200 I.M. and the 100 breaststroke. The following seniors contributed greatly: Mike Niles, Andy Winslow, Steve Blum, Joe Bride, Joe Hart, and Jim Danna. Good luck next year from the '86 Clams.

CLAMETTES

Under the leadership of a new coach Miss Sullivan and captains Joanne Brawley, and Karina Subacs, the team had a good season this year. Several school and state records were broken and many personal bests were achieved. The team sent several swimmers to the sectional and state meets. Ann-Marie Guglielmi took 7th and 11th place in the state meet. Congragulations go to Bobbi Ferraro who had an outstanding diving season. She took first at sectionals, second at states and was named an All-American. Best of luck in the future to the twelve departing seniors and to those who remain behind.

BOY'S WINTER TRACK

The Boy's Winter Track team had another enjoyable season this year. Our team was unable to repeat last year's undefeated season but showed a lot of enthusiasm and many excellent individual performances. Outstanding runs were by Paul Dullea in the mile and two mile, Andy D'Angelo in the 40 yard dash, Mike Ward in the 1000, and Andrew Coffin in the mile and two mile. A talented group of underclassmen indicates that next year's team should be a force in the league. Steve Seguncheck, Andy D'Angelo, and Paul Dullea were all voted Daily Transcript All-Stars. The seniors would like to wish good luck to next years team and give a special thanks to Roger and Mr. Wolverton for all their hard work. Good luck to Roger in his new profession and we all hope he gets that something out of his crew. Most of all BEAT HOLLISTON NEXT YEAR.

GIRL'S WINTER TRACK

The Girl's Winter Track team had an exciting season this year with many personal bests in both the league and state meets. Tri-Valley League All Stars were won by Ann Delaney and Beth O'Rourke in the mile, Laura Murphy and Dianna Butters in the 1000. Beth O'Rourke and Ann Delaney were also elected to the Daily Transcript All-Star Team. Everyone improved meet by meet and had lots of fun despite some bad jokes at the "best banquet ever". Many thanks to Roger and Mr. Wolverton for their hardwork, dedication, and encouragement. The seniors wish Roger good luck in his new career and the rest of the team luck in their efforts to regain the title next year.

The 1985-86 Wolverines had an exciting year, led by the senior tri-captains Tom McCusker, Bob MacDonald, and Sol Cohen, the team went to the State Semi-finals where they lost to St. Bernard. Previously beating Dover-Sherborne to capture the South Eastern Sectional Championship. The game winning goal was scored in overtime by Brian Valentine. They also took the Tri-Valley League Championship for the third consecutive year, and currently holds a 32 game unbeaten streak in the TVL. Tom McCusker broke the record for the most minutes without a goal scored upon 162.20 minutes, which accounted for Westwood's many wins. The scoring was led by Bob MacDonald (20-30-50) who was also chosen as a TVL All-Star, as were Tom McCusker, Sol Cohen, Bill Grube, and Ed Kिरrane. Scott Jacobson and Cory Pindel contributed to the great Wolverine effort. Sol Cohen led the defensive core. The rest of the defensemen, Bill Grube, Rocco Ruggiero, and Rob Bloumquist were stepping up at the blue line all year long. Senior goaltender Loring Brown, Juniors Ed Hennigan, and Bill Reissfelder also contributed by coming in to make some big stops. Good luck to next years team and many thanks to our coaches, parents and fans.

THE GOLF TEAM

Front: R. Sigmund, J. Mucciarone. 2nd Row: Coach Kodzis, T. McMullin, R. Reissfelder, K. Foscaldo, I. Heller, B. Cronin.

The Golf team was back to their winning ways this season as they posted a record of 12 wins and 2 losses. Jeff Mucciarone was the consistent "low-man" for the Wolverines while sophomore phenomenon Bill "the pro" Cronin was a clutch performer. Ivan Heller, Jay Carey, and Steve Dakin also played terrific golf throughout the year. This year's seniors wish the best of luck to next years team and would like to thank Coach Kodzis for his help and consideration.

BOY'S SPRING TRACK

Front Row: T. Gearty, A. Wallace, D. Dermarderosia, M. Papetti, P. Dullea, R. Dullea, D. Winklemas. Second Row: S. Lane, K. Driscoll, J. Friedman, S. Maxwell, M. Rosenberg, K. Carter, J. Bean. Third Row: Coach Hargreaves, D. Papetti, E. Nyugen, P. Palermo, G. Parker, B. Hogan, Coach Henderson.

The Boy's Spring Track team this year didn't share the same success of last year's team but showed as much as spirit and enthusiasm as ever. Our team overcame many obstacles, the major one was the lack of a track for the entire season. Even with the many downfalls of season, we managed to have a lot of fun and many personal bests and excellent individual performances were accomplished. The seniors would like to thank Coach Hargreaves and Coach Henderson and wish good luck to next years squad.

RUNNIN' FOR FUN

Under the encouraging eye of rookie track coach Michael Niles, the Girls' Spring Track Team stars were allowed to shine. Juniors Hope Irvine and Beth O'Rourke turned in all-star efforts in the mile and 2-mile, respectively. Junior Lynn Elliot proved herself a powerhouse in the long and triple-jump. Sophomore Debbie Malouf of javelin and 440 fame greatly contributed to team spirit and points. Senior Melissa Fischler, although slowed by injuries, was a model of consistency and dominant force in the TVL in the shot-put and discus.

Thanks go to track captains Ann Delaney, Karina Subacs, Melissa Fischler, and also to Coach Niles. Good Luck to all of next year's tracksters.

Tri-captains Brian Halligan, Marty White, and Mike Dorr led the Wolverines to a 12-2 record, placing second in TVL. The addition of Coach Chatterton to the already dynamic Coach Armstrong proved to be the key to the Wolverines strong season. At first and second singles, Mike Harkness and Mike Dorr played extremely well earning them Tri-valley League All-stars. At third singles, sophomore sensation Al Brazier won a deciding match at Holliston earning him an honorable mention TVL All-star. The ever colorful John Mariani provided key muscle off the bench. At first doubles Brian Halligan and Marty White ruled the TVL with only one loss. White and Halligan were also TVL All-stars. Rich Lassen and Bill Grube earned TVL honorable mention playing strong second doubles. Thanks to the Co-hogs. The squad made it to the quarter-finals of the State Tourney. Good luck next year.

This year's girls' varsity tennis team finished another triumphant season with a spectacular 16-0 record. Guided by the excellent coaching of Mrs. Procaccino and the outstanding leadership of senior Co-captains Kristin Allman and Beth Kane, the Westwood girls captured their fifth consecutive Tri-Valley League Championship. The girls also advanced into the second round of States, but lost in a grueling 3-2 battle against Manchester.

The talent and determination of the entire team was truly reflected by its five Tri-Valley League All-Star nominations. These well-deserved awards were captured by junior Twisty Gogolak in first singles, junior Joanne Peterson in second singles, sophomore Jen Robicheau in third singles, and the undefeated team of Kristin Allman and junior Kerry Buckley in first doubles. Honorable mention was also given to the second doubles team of Beth Kane and sophomore Jen McCoy for their display of excellence throughout the season.

Other team members included senior Liz Kelley, sophomores Kate Kane and Chris Hall, and freshmen Devise Buckley and Maitri Sharma. The support and talent added to the team by these athletes played a major part in this year's great success.

With only three seniors graduating and such fine young talent remaining, next year's team promises to carry on in Westwood's winning tradition.

SENIOR CLASS ADVISORS

The class of 1986 would like to thank our advisors for their guidance and dedication. The devotion of their time and effort have helped to make our senior year a great success. All their efforts are greatly appreciated. Thanks again.

First Row: Mrs. Anne Matteson, Miss Stephanie Shute, Miss Joan Dillon, Mrs. Karen Tosca, Mr. Rayond Kodzis. *Second Row:* Mr. Brian Hart, Mr. Gary Rook, Mr. Michael Milan, Mrs. Hollis Perry, Mr. Peter Case, Mrs. Linda Hanlon

SENIOR CLASS FLEA MARKET

This year's flea market was a big success with "Boofey" and Una sitting in the wagon, yelling through the cone "Fill your trunk with our junk!" and "Don't be a snook, take a look!" Also, the senior girls lured customers with their many detour signs, but unfortunately, SHH's melted ice cream drove them all away!

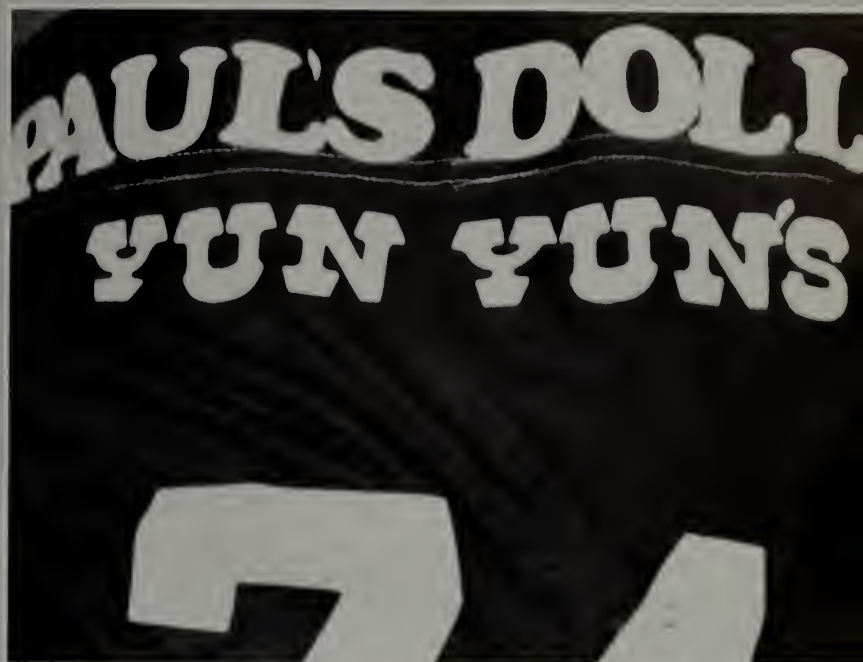

CHOW AT BICKFORDS

At 8:30 one Friday morning in October, a bunch of seniors piled into their cars and headed for Bickfords for the Senior Class Breakfast. The "interesting" pancakes, waffles, and eggs were eagerly devoured by the hungry crowd (After standing in line for an hour, who wouldn't be hungry?). Soon, after several "frightening" threats by the Powder Puff girls, all piled into their cars to watch those rowdy senior girls lose to the senior studs in the Powder Puff game.

BATTLE OF THE SEXES

The 1985-86 girls Powder Puff team was just that—a team. Captains Megan, Amy, and Suzanne along with coaches Matt, Dave, Paul, and Joey created the powerful offensive and defensive teams that gave the boys a run for their money! (But of course, the boys trampled the girls 16-0!) The offensive line ("Matt's Brats"), the backfield ("Sugar Bears"), the defensive line ("Paul's Dolls")—all malled the clumsy, ankle-tied, male linemen, but to no avail, the boys remained victorious. The girls would like to thank Coach Calvanese for all her dedication in turning the senior girls into a mighty "green machine."

SPAGHETTI DINNER

Green Years would like to extend their thanks to all those who made this year's annual spaghetti dinner a great success. With a large faculty and student attendance, the spaghetti and "tasty" meatballs proved to be both edible and enjoyable to everyone. A special thanks to Mr. Hart, Miss Dillon, and the many seniors who contributed their time and energies to ensure the success of this year's dinner.

GIRL'S REVENGE . . .

Well, the girls made up for their abominable loss to the boys in the powder puff football game as they skated circles around the clumsy boys in this year's boy-girl hockey game. With the powerful defense of Chrissy O'Connor as goalie, the girls put up a good fight with four goals by Amy, Julie, Megan, and an anonymous boy wearing flowered shorts! With broken brooms at hand (Nice job, Kevin!), the boys luckily scored four goals to even out the score, the game ending in a 4-4 tie.

Many thanks to Mr. Berman and Mr. Davis for coaching the senior girls as well as to Tom McCusker for calling the shots and keeping those rowdy girls in their places!

SENIOR BANQUET

The Senior Class Banquet was yet another fabulous success for the Class of 1986. With a little help from the seniors themselves, the cafeteria was transformed into cozy dining room—the perfect setting for a wonderful evening. Along with special performances by Karina & Ross and Don "the Wink", the dance band kept us entertained. Due to the dominance of the "Westwood Wire", this year's theme was appropriately selected to be "Heard It Through the Grapevine." Thanks to the officers and to the banquet staff for making this night such a memorable one.

SENIOR JUNIOR PROM

This year's Junior Senior Prom was yet another success to all those who attended the gala affair held at the King Philip's Ballroom on May 17 (what happen to friday night?). The dance was an elegant affair, as lavishing loves in pastel gowns pranced with their handsome escorts. This year's theme was suitably "You Say Goodbye..." and keeping in tune with tradition, the band never played it! The evening reached its climax as Debi Goldfarb was crowned Queen, with Robyn Elliot, Megan Maloney, Gail Fulciniti, and Lisa McIntyre as her Court. Junior Court members included Roberta Moore, Lena Cohen, Caroline Jurkiewicz, and Diane Runci.

A special thanks to the Junior class for making this year's Prom a memorable one.

SUNSHINE AND ALL . . .

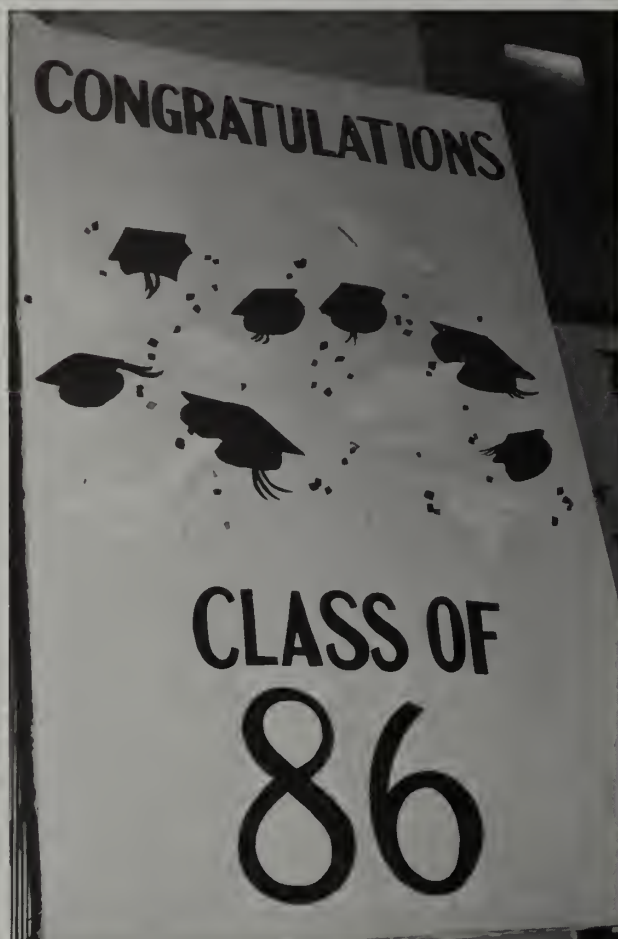

For the first time in three years, the sun brilliantly shined over Crane's Beach for this year's Senior Class Beach Trip. Baby Oil and shades in hand, the seniors scrambled from the buses to enjoy a fun-filled day of volleyball, baseball, frisbee, "feed-bag", and, of course, a day of throwing those unlucky "victims" into the ocean. With mounds of steamers and other fixin's, the senior class had every luxury under the sun—a terrific time was had by all!!

CLASS DAY

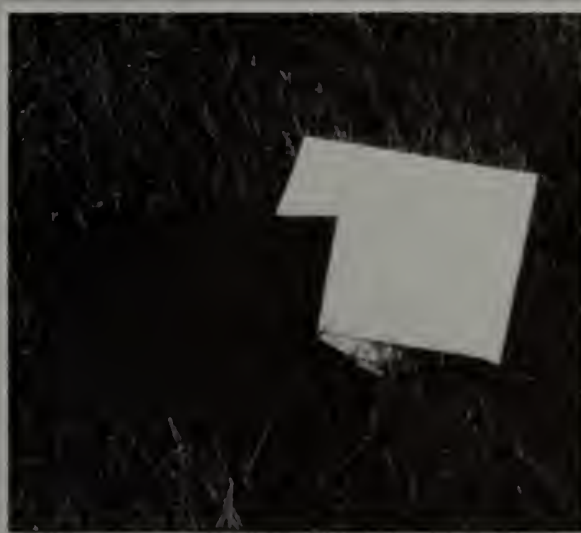

Class Day 1985 celebrated not only the achievements of the Senior class, but also the merit of the entire student body. Awards ranging from academics to sports to citizenship—all facets of a Westwood High education were well represented by those outstanding individuals receiving their honors. The highlight of the ceremony was the dedication of the 1986 yearbook to Mr. Calvin Topalian, whose outstanding teaching efforts and sincere dedication have long been appreciated. A special thanks to Mrs. Perry whose chants of "Left, Right..." really kept us "in line."

Freshmen Year

We came to Westwood High School in the fall of 1982, not knowing what to expect and a little unsure of ourselves. We elected our first class officers to lead us through our freshman year—President Mike Quinn, Vice-President Ross Sigmund, Secretary Beth Kane, and Treasurer Andy Scarano. The size of the school and the maze of halls got many of us lost and late to classes on our first day. After our days at Thurston Junior High, we had to adapt to many new changes such as having assigned studies, not having to wait in line to get into the cafeteria, and being able to go to our lockers whenever we wanted to. The 8-day schedule brought much confusion for many of us as well.

Homecoming Week was something new as we actively participated in Hat Day, Clash Day, Career Day, Color Code Day, and Green Pride Day. Representing the Class of '86 in the homecoming court was Julie White. During our freshman year, certain teachers made lasting impressions on us—for example, Mrs. Perry and her shouts of "filas" before each quiz or test. Also, many of us were impressed by our new gym teacher, Mr. Tuccelli. His marine-like instructions got everyone—well, almost everyone—into shape as he proved a tough teacher to deal with. However, as the years passed, we would learn that he's not a bad guy after all.

We closed our freshman year with a successful class trip to Horseneck Beach, and we looked forward to the coming fall when we would enjoy the status of sophomores.

Sophomore Year

We entered our sophomore year with a little more confidence, for as we looked around, we noticed some smaller people who were even lower on the social scale than we were—the new freshmen. We gained further encouragement from our worthy leaders that year—President Mike Quinn, Vice-President Ross Sigmund, Secretary Beth Kane, and Treasurer Andy Scarano.

Sophomore year was the year during which we all froze from stage fright in Miss Shute's Oral English Class and dissected small, innocent, foul-smelling animals in the various biology classes. If you were lucky enough, you could even see one of these animals fly over the mezzanine one lunch block that year.

As sophomores, a few of us portrayed an inkling of school spirit by participating in Hat Day, Clash Day, Color Code Day, and Green Pride Day. A captivating Julie White was back again by popular demand to represent us in the homecoming court.

We had a lot to be thankful for the Thanksgiving, for we beat Holliston and advanced to the Superbowl. Although we lost a tough game, we certainly left our mark. The hockey team also did extremely well by clinching a league title. We were very proud to have a good number of our sophomores such as Matt, Joey and Paul, Tom, Bob, and Jake prove their outstanding capabilities on both these teams.

Spring rolled around and as the upperclassmen sped out of the parking lot, blaring Prince and U2 from their car stereos, we took the bus. You could always tell a sophomore on a weekend night, for we were the ones walking around with no place to go except the woods.

We ended our year with a surprisingly successful class trip to Nausset Beach and a last day of school party at upperclassman Rich Keating's.

We now looked forward to becoming upperclassmen and gaining all the privileges that came along with this status.

Junior Year

Finally upperclassmen, we began our junior year with Mike Quinn as President, Tom McCusker as Vice-President, Bobby MacDonald as Secretary, and Wally Coggins as Treasurer. Under their leadership, we were ready for anything—anything, that is, except for U.S. History with Miss Congdon. We all learned very quickly not to sit with our backs facing the teacher. Withing a few weeks, the exciting Homecoming Week was upon us with the usual fun-filled events—Hat Day, Toga Day, 50's Day, and Green Pride Day. This year, we were proud to have Clare DeAngelis represent us in the court.

Junior year was our year for sports. It just one sport dominated, but all. Our Magnificent 7 took the football team all the way to the Superbowl, and won it! And we didn't stop there. The Hockey Team, also with mohawks, dominated the league and became the State Champs—a game we'll always remember. Both our basketball teams ended first in the league and went to the state tournaments—Crif and Tim leading the boys to a second place finish, Kim and Clare leading the girls to the top at the Centrum. And if this wasn't enough, in all the excitement, Sugar took Bob Mac for a ride...dragging him by the foot.

All too soon, the dreaded SAT's had arrived. Jen Tradd, in a rush to get them over with, smashed into Danny. Otherwise, as a class, we did exceptionally well. Our next major accomplishment was the Junior-/Senior Prom with the song—the band never played it—"One More Night." Our representatives in the court were Barbara Bashian, Melissa Fischler, Kristin Allman, Jen Shea, and AnnMarie Guglielmi. After the prom, we—decked out in our "Morton" T-shirts—headed for John Cronin's Cape party.

The next event was our class trip to Craigville. Though many of us don't remember it all, I'm sure Megan, Kathy Casey, and Quinnie can tell you all about it. And let's not forget to thank Joey and Jenny for all the countless times we depended on them during vacation and on the weekends.

Soon, our junior year was over and we returned to a half-empty school with excited thoughts of our upcoming senior year!

CLASS T

Senior Year!

I feel the need to call our senior year special, although I'm sure others in the past have felt the same way. Many incidents occurred that were out of the ordinary. Some even were featured on regional and national television.

First and foremost was the unnecessary documentary of Westwood's so-called drug problem. Channel 5 was the first station knocking on our door with T.V. cameras in hand and microphones waving in our faces while we were asked for our views on the issue. A while later, WHS was featured on national T.V. when *Good Morning America* chose our school to portray the typical high school prom. Obviously, the *Good Morning America* staff had not seen the Channel 5 news earlier this year. So tryouts were held and kids were chosen. The girls looked great in their dresses of satin and lace...as well as—in some cases—tin foil. Some of the boys were somewhat nervous on camera, as revealed by Joey Biggs' smile. This was our big chance to show the whole country that we really are normal and average high school students.

Homecoming week caused Green Pride to soar. First there was Hat Day (which Babin should have won) followed by Pajama Day, 50's Day and Green Pride Day. Once again—and it was not rigged—the senior class walked away with all the prizes while the freshmen fantasized that they would do better next time.

Chosen for the Homecoming Court were Laura Lane and Julie White with Una O'Brien as Queen. This annual event caused jealousy among some of the boys, who decided that a king should be selected during a second week. The week went well until campaign signs, sometimes comical and sometimes obscene, appeared throughout the school. Then the contest was cancelled and Steve Blum, the king-in-waiting, was left without his kingdom for a day.

One important activity last fall was our famous flea market, organized by the senior class officers—Beth Kane, Secretary; Wally Coggins, Treasurer; Ross Sigmund, Vice-President; and Mike Quinn, President. They worked long and hard at acquiring items to sell. Signs were made reading "FILL YOUR TRUNK WITH OUR JUNK" and "DETOUR" to help promote business, but the best ad of all was Karen "Boofie" Miller in her little red wagon.

Perhaps the highlight of last fall's activity was the annual Powderpuff game. The girls practiced long and hard preparing for this game, but obviously the Bickford's cooks hadn't (Where were Blum, Stew, and Joe B. when we needed them?). Our diligent practicing did not help. No thanks to the girls' quarterbacks, we lost 22-21. All right...so it was 22-0, but who was counting...besides the boys?

The athletic contest of the winter was the boys vs. girls hockey game. The girls won the game 5-4, even though the boys had all member of their team on the ice at once. We skated rings around them! Only a couple of

fighters broke out (Kevin, I owe you one!). Sure.. the boys used brooms instead of hockey sticks, but they also had some unfair thricks up their sleeves, such as hand-cuffs and the dreaded YUCK-MAN.

I think the first time the entire class worked as one was in preparation for the Senior Class Banquet. With great artistic talent we transformed the cafeteria into the great outdoors. The entertainment was great with Karina, Ross, and Don. Greg Gonser's band was also good, featuring special guest Tom Kilgarrril as lead singer. Supelatives were given out and memories of the past four years were shared.

Will we ever forget the recent Junior/Senior Prom? The court was made up of Lisa MacIntyre, Robin Elliot, Megan Moloney, and Gail Fulciniti with this year's Queen, Debi "Cabbage Patch" Goldfarb. Couples entering King Phillip were not only escorted by their hired limousine drivers, but also by the men in blue. Champagne bottles were taken and bail money was set.

The following day, Pat Cloney continued the tradition of the famous prom party. It was the first time people were getting second-degree sunburns and not feeling it!

The new activity this year was the Volleyball Tournament. Duo Steve Totino and Werner Boehl put up a good fight, but the winning team consisted of Kevin Keefe, Robyn Elliot, Andy D'Angelo, Kristin Lund, and Don Winklemees.

More excitement was to follow with the so-called class prank—the bomb scare. The rumors were false and it wasn't a laughing matter. But while waiting in the gym, seniors talked about past parties—for instance, Tim's, Beth's, Jake's, Karina's, Barb's, and the famous calculus parties at Ross's.

I'm sure as we look back on our high school years, we will enjoy many fond memories. These were only a few of our favorites.

Let's keep in touch over the years, my fellow classmates. We are a special group of friends.

Mr. Robert Burke

After years of dedicated service to Westwood High School's Foreign Language Department, Mr. Robert Burke retired from the field of teaching.

Your enthusiasm and congeniality, Mr. Burke, added a great deal to the WHS faculty as well as to the student body. Always interesting and fun, your classes taught us not only lessons in French and Spanish, but also lessons in friendship and compassion. Needless to say, you are greatly loved, and will be greatly missed.

We would like to thank you for the devotion and excellence you have displayed throughout your years at WHS. Your smiling face is irreplaceable. Best wishes and good luck in whatever the future may bring.

Mr. Albert Nolan

Mr. Albert Nolan, after countless years of devoted service to WHS, retired this year. Loved by all his students, this fantastic teacher took his pupils through the challenges of his business courses and touched them all with his warmth. A few lucky students were even taught, by this avid golf fan, how to putt. Whether typing or putting, Mr. Nolan will never be forgotten for his personal touch.

Well, Mr. Nolan, what can we say? You were much more than just a great teacher—you were a great friend. I wish your smile and sense of humor, the usually monotonous "A,S,D,F..." became one of the familiar, friendly sounds of the Business Department at WHS. Your detailed drawings were characteristic of the Mr. Nolan classes we've come to know. For your years of dedicated teaching, we feel you deserve much more than just a gold watch. Therefore, rest assured that you will always be a loving part of our high school memories and a most valued friend. Thanks for *everything*, Mr. Nolan, and best of luck in your well-deserved retirement.

Mr. Ivan Van de Workeen

Mr. Ivan Van de Workeen, a longtime veteran of Westwood High School's Science and Math Departments, retired this year. Through his dedicated teachings, we learned the basics of chemistry, physical science, and other fun stuff. Mr. Van de Workeen also had a personal side. Despite his stern looks, this teacher would often break out into mile-wide grins. Who could ever forget his affectionate poses with Kermit the Frog?

Many thanks go to Mr. Van de Workeen for his teaching and caring throughout his years at WHS. Thank you and good luck in your future endeavors.

Mrs. Jacqueline Angelici

After many years of dedicated service to Westwood High, Mrs. Jacqueline Angelici and Mrs. Margery Hancox resigned as the school's favorite office secretaries. They have been essential to the Administration and student body alike, as their skills and experience have kept the school running smoothly. By keeping Mr. Flaherty's mind uncluttered, Mrs. Angelici and Mrs. Hancox added greatly to the Administration's well-being. Not only did they run the central office, but they also helped many a confused student. Their pleasant voices have beamed countless times over the intercom, often, to the delight of a tired student, signifying the end of a period.

We hope, after their departure, the office will not fall apart. However, we know their organizational skills and happy smiles will be greatly missed. Whatever the future may bring, we wish you the best of luck and, in parting, much thanks.
